

FOREVER WITH YOU

1st verse - Jn 12:24; Jn 20:28
Refrain - Mt 24:42
2nd verse - Jn 6:33-35; Jn 8:12
Final refrain - Mt 25:31; Jn 11:24-25

Just like the wheat that is scattered,
Son of God placed in the ground:
the Word once spoken
is heard no more.

In all our living and dying
I see the trace of your love.
You've gone before us,
my Lord, my God.

**I believe you are hidden in my darkness
and I know that my death won't be the end,
in the hope of the life that's still to come,
forever with you.**

Trees are now covered in blossom:
springtime has come once again,
a sign from heaven
of life that's new.

In even the darkest of night-times
stars can be seen in the sky,
a sign from heaven,
your promise true.

I believe you are hidden in my darkness...

**I believe we will see you in your glory
and I know we will rise again in you,
in the joy of an everlasting now
forever with you.**

Forever with you.
