

## You're A Girl On A Mission (Magnificat)

Oh...oh...

You're a girl on a mission  
Nothing stands in your way  
You arise to meet the morning cold  
at the break of day

There's a fire  
In your eyes  
Cause you know the one you carry inside  
will be the light of the world  
As his love urges you along  
In your heart is a joyful song:

**Magnificat anima mea  
Magnificat anima mea Dominum  
And my spirit rejoices  
My heart can't keep from singing  
the wonders of the Lord  
Magnificat anima mea  
Magnificat anima mea Dominum  
Magnificat anima mea Dominum**

Oh...oh...

As you go on your journey  
Mary take us with you  
May we always have an open heart  
caring like you do

May we see  
with your eyes  
May we learn to hear and feel others' cries  
Come teach us all to believe  
When we love we can do great things  
With you there by our side we'll sing:

**Magnificat anima mea  
Magnificat anima mea Dominum  
And my spirit rejoices  
My heart can't keep from singing  
the wonders of the Lord  
Magnificat anima mea  
Magnificat anima mea Dominum  
Magnificat anima mea Dominum**

Oh...oh...

From every nation, **beyond all barriers**  
We move as one we rise together  
**One destination**  
We are invincible cause  
**Hey!** We are not turning back  
The way ahead is **forward!**  
We will aim high  
Hope will lead us to a new horizon,  
a new horizon

We'll build a world of love

**Magnificat anima mea  
Magnificat anima mea Dominum  
And my spirit rejoices  
My heart can't keep from singing  
the wonders of the Lord  
Magnificat anima mea  
Magnificat anima mea Dominum  
Magnificat anima mea Dominum  
Oh...  
Magnificat anima mea  
Oh...**
